RETIREMENT HOMES

Our Community

Our Retirement Home is a community that provides independent living services with minimal assistance. Adjoined to the Retirement Home is a lovely Long Term Care Facility. We are active members in the community, and are constantly improving our care and services to better serve the needs of our aging population.

Our Accommodation

At Caressant Care, we offer three (3) accommodation options: Studio Suite, Deluxe Suite and Shared Suites. Each suite is fully furnished (at no extra cost) but residents are always welcomed to bring in their own furniture.

Monthly rates include:

- ✔ Accommodation
- ✔ Meals & Snacks
- ✔ Basic Care Package
- ✔ Housekeeping & Laundry Services

Our Care Services

At Caressant Care, we CARE about each resident's wellbeing and understand that not everyone can afford expensive care services. That's why most of our care services are included in the monthly rent! We want to ensure residents can have peace of mind that there will not be unexpected rent increases due to a slight change in the residents' care needs.

Basic care package includes:

- ✔ 24 hr staffing;
- ✔ Monitoring for safety and security;
- ✔ Minor medical treatment ordered by physician;
- ✔ Medication administration;
- ✔ Appointment booking;
- ✔ 1 bath/shower per week;
- ✔ Night checks.

Our Activities

Our activity programs are geared to the interest of our residents based on their physical, social, intellectual, and spiritual needs. Programming also includes trips away from the home for a nominal fee.

“ I was one of those people who never wanted to be in a retirement home, but I'm having a ball here!
VICTOR HALL ”

Dining experience

We pride ourselves on providing nutritious and quality meals to our residents. Our culinary team creates and prepares meals that meets the needs of the residents we serve. All meals are prepared in house and approved by a registered dietitian.

Our commitment

We are committed to provide a supportive, caring and respectful environment while continuously maintaining each resident's independence.
