Our Suites

Wellness Services

Country Cottage focuses on the personalized care, comfort, and well-being of its residents—which is why we offer only the best in personalized health care services.

Suites

Country Cottage offers quaint studio and one-bedroom suites—designed with your comfort in mind, and feature cable TV, full kitchens, accessible bathrooms, Wi-Fi and emergency response capabilities.

Activities

To further enhance residents' living experiences, many of our most popular programs, activities, and social events take place on-site in our amenities area. Residents can pursue hobbies, socialize with friends, or simply sit back and relax.

Atmosphere

It's the country feel of our residence and our welcoming atmosphere—found both inside and outside on our manicured grounds—that makes us stand out. Small and cozy, we're known for our family-like feel and tight-knit community, especially as we have only 48 suites. Though we boast convenient services like access to a wide range of engaging activities, housekeeping, linen service, and delicious meal options, it's our team who really make us special. There's nothing our caring and passionate team values more than making a difference in our residents' lives and helping them lead the relaxing and fulfilling lifestyle they deserve.

Dining

At Country Cottage, our residents are at the forefront of every dining experience. We offer three meals daily, planned and prepared by our head chef. Our chefs accommodate the dietary needs and taste preferences of our residents. We offer specified meal choices such as vegetarian food and low/no sodium options. We pride ourselves on providing delicious, heart-smart meals prepared fresh daily.

This document provides a general description of the types of activities, services and amenities that may be available at the residence and is not intended to be an inclusive or exhaustive list.
